Property Inspection – Peace of Mind Before You Buy

Have you already found a property and want to be sure that the price and condition are right? Our certified building surveyor will thoroughly inspect your desired property and assess a fair purchase price. This way, you avoid costly surprises – because in Hungary, the principle of "sold as seen" generally applies, and subsequent claims for defects are difficult to enforce.

Individual consultation – personal, independent, and fair

Upon request, you can conclude an independent consulting agreement with us – entirely voluntary and not tied to any specific property. Our service includes:

Detailed recording of your search criteria in a personal search profile
Suggestions for suitable properties – until you find your ideal property
Joint viewings including a thorough risk assessment by our building surveyor and energy consultant (within a radius of approximately 50 km around Hévíz/Keszthely)
Support and assistance with handling all purchase formalities
Referral to a German-speaking notary or lawyer
Provision of a German translation of the purchase agreement and support from a German-speaking lawyer
Assistance with transferring utilities (electricity, gas, water, etc.) Co.

On request: reliable property management during your absence

Immocenter Hungary – secure, competent, and always by your side.

We look forward to meeting you personally and making your dream of owning a property in Hungary a reality!
