Tip: Look out for our unique A-B-C classification in the title of our properties! You can find a detailed explanation of this classification on our homepage.

Property Inspection – Peace of Mind Before You Buy

Have you already found a property and want to be sure that the price and

condition are right? Our certified building surveyor will thoroughly inspect your desired property and assess a fair purchase price. This way, you avoid costly surprises – because in Hungary, the principle of "sold as seen" generally applies, and subsequent claims for defects are difficult to enforce.

Individual Consultation – Personal, Independent, and Fair

If you wish, you can enter into an independent consulting agreement with us – entirely voluntary and not tied to any specific property. Our services include:

- Detailed recording of your search criteria in a personal search profile

- Suggestions of suitable properties – until you find your ideal property

- Joint viewings including a thorough risk assessment by our building surveyor and energy consultant (within a radius of approximately 50 km around Hévíz/Keszthely)

- Support and assistance with all purchase formalities

- Referral to a German-speaking notary or lawyer

- Provision of a German translation of the purchase agreement and support from a German-speaking lawyer

- Assistance with transferring utilities (electricity, gas, water, etc.)

- Upon request: reliable property management during your absence

Immocenter Hungary – secure, competent, and always by your side.

We look forward to meeting you personally and making your dream of owning a property in Hungary a reality!
