

Property ID: IMM529

A property with good features,
including a house and a barn.

Price:	65.000 € (≈ 23.680.150 Ft)
Living space:	100 sq. m.
Plot size:	6.967 sq. m.

Property description:

The building, with its optimal layout (3 rooms, kitchen, pantry, hallway), features brick walls and a brick foundation, a stucco ceiling, and 100 m² of living space (partially basemented). Unfortunately, the roof structure of the former outbuildings (stable, carriage house, workshop), which are directly adjacent to the living area, collapsed due to recent severe weather. The building is currently uninhabitable. Urgent renovations are required to preserve the living space (should the new owner wish to do so).

The property's value is enhanced by the presence of a separate, well-preserved barn (approx. 100 m²) located outside the main building.

The property has a total area of 6,967 m² (uniformly 23–25 m wide and almost 300 m long) and borders a small stream at one end. Water and electricity connections are available on the property; other utility lines, including the sewer, are located at the property line.

''' If you are looking for a plot of land with good features, a house and a barn worth renovating, and a fair land price, then this could be a really good choice.
