Living space:	168 sq. m.
Plot size:	3.467 sq. m.
Type of house:	Detached house

Property description:

The owner is offering a family home for sale in a quiet street in the village of Rezi, 12 km from Lake Balaton and Hévíz, in a romantic setting.

The 168 m² street-facing section of the house was built before 2000 using brick and stone. At that time, it comprised a large bedroom, a guest toilet, a bathroom, a kitchen, a pantry, and a hallway.

The current owners extended the house to the rear in 2006, adapting it to the slope of the property and lowering the steps.

This created a living room and a large library. From the kitchen, living room, and library, one can access the terraces in front, which are connected by steps. The entire space is surrounded by flowers and plants – a delightful sight in summer!

The attic, above the later additions, contains a bedroom and a dressing room. A beautiful wooden staircase leads up from the living room.

The entire house is heated by a gas central heating system, and there is also a fireplace.

The garden features three wooden garages and a wooden shed, ideal as a workshop or storage space, offering ample room for storage.

The property encompasses a total of 3,467 m², of which approximately 1,000 m² around the house is fenced.

Within this fenced area, a garden terrace, a small wooden shed, and fruit trees create a natural ambiance.

If you love being close to the forest and aren't intimidated by a large property, you should view this house as soon as possible!
