Property Inspection – Peace of Mind Before You Buy

Have you already found a property and want to be sure that the price and condition are right? Our certified building surveyor will thoroughly inspect your desired property and assess a fair purchase price. This way, you avoid costly surprises – because in Hungary, the principle of "sold as seen" generally applies, and subsequent claims for defects are difficult to enforce.

Individual Consultation – Personal, Independent, and Fair

If you wish, you can enter into an independent consulting agreement with us – entirely voluntary and not tied to any specific property. Our service includes:

- Detailed recording of your search criteria in a personal search profile
- Suggestions of suitable properties – until you find your ideal property
- Joint viewings including a thorough risk assessment by our building surveyor and energy consultant (within a radius of approximately 50 km around Hévíz/Keszthely)
- Support and assistance with all purchase formalities
- Referral to a German-speaking notary or lawyer
- Provision of a German translation of the purchase agreement and support from a German-speaking lawyer
- Assistance with transferring utilities (electricity, gas, water, etc.)
- Upon request: reliable property management during your absence

Commission Rate:

As the buyer, you will pay a commission of 1.27% (including Hungarian VAT) of the purchase price for this property upon invoicing and signing of the purchase agreement. This price includes:

- Verification of the land register for encumbrances and ownership rights
- Referral to a German-speaking lawyer (in Hungary, lawyers authenticate purchase agreements, not notaries as in Germany)
- A German translation of the purchase agreement
- All utility transfers, including electricity, gas, water, and waste disposal, etc.

The commission is waived if you book direct contact with the seller.
