Property Inspection – Peace of Mind Before You Buy

Have you already found a property and want to be sure that the price and condition are right? Our certified building surveyor will thoroughly inspect your desired property and assess a fair purchase price. This way, you avoid costly surprises – because in Hungary, the principle of "sold as seen" generally applies, and subsequent claims for defects are difficult to enforce.

If you wish, you can enter into an independent consulting agreement with us – entirely voluntary and not tied to any specific property. Our service includes:

- Detailed recording of your search criteria in a personal search profile
- Suggestions of suitable properties – until you find your ideal property
- Joint viewings including a thorough risk assessment by our building surveyor and energy consultant (within a radius of approximately 50 km around Hévíz/Keszthely)
- Support and assistance with all purchase formalities
- Referral to a German-speaking notary or lawyer
- Provision of a German translation of the purchase agreement and support from a German-speaking lawyer
- Assistance with transferring utilities (electricity, gas, water, etc.)
- Upon request: reliable property management during your absence

Commission Rate:	As the buyer, you will pay 2.54% including Hungarian VAT for this property upon invoicing and signing of the purchase agreement. This price includes: - Verification of the land register for encumbrances and ownership rights - Referral to a German-speaking lawyer (in Hungary, lawyers authenticate purchase agreements, not notaries as in Germany) - A German translation of the purchase agreement - All utility transfers such as electricity, gas, water, waste disposal, etc.
