This property is more than just a building – it's a place with character, waiting for a new purpose and a new owner.

Originally built in 1940 and remodeled in 1980, the building is scheduled for renovation in 2026. Its stability is ensured by 50 cm thick walls.

The 207 m² net floor area comprises two separate living areas:

a total of 5 rooms

2 bathrooms

2 separate toilets

hallway

and a spacious terrace of almost 30 m².

The finished attic is a particular highlight. Constructed of high-quality wood, it boasts a solid, load-bearing structure and is therefore ideally suited for further development, thus increasing the living space.

The unique feature of this 700 m² property is the spaciousness created by its triangular shape. Thanks to its location with no direct neighbors, it offers an exceptional sense of space and complete privacy. The garden includes a 20-meter-long bowling alley, which is a real attraction and provides an excellent setting for social gatherings or catering events.

The potential uses are virtually unlimited:

Residential property for a two-generation household

Conversion into a guesthouse or apartment building

Community or cultural space

Restaurant/catering establishment

For commercial purposes

Due to its size and features, the property is extremely versatile.

Utilities:

The property is located in the center of Resznek, in a well-maintained and continuously developing neighborhood:

The new library is in the immediate vicinity.

Opposite is the bright community center with a gym across the street. Right next door, on the corner, are a hairdresser and a doctor's office.

Excellent infrastructure:

New, paved roads

Special location features:

In close proximity to the Slovenian border

Between the spa towns of Lenti and Lendva

Near the Őrség National Park

Close to the popular Vadása Lake, a true gem for nature lovers

The location is unique because it lies halfway between Budapest and the Adriatic Sea. Thanks to the M7 motorway and its Slovenian extension, the accommodation is easily accessible, with direct road access to the sea.

Győr and Austria are quickly reachable via the new, well-developed A86 motorway, which is just a few minutes from the resort.
